Since the 1920s Jazz Age, jazz has become recognized as a major form of musical expression. Jazz is characterized by swing and blue notes, call and response vocals, vocals polyrhythms and improvisation. Intellectuals around the world have hailed jazz as "one of America's original art forms". A variety of influential jazz musicians and instruments will be explored.</p> <p>Art: Andy Warhol was an American artist, director and producer who was a leading figure in the visual art movement known as pop art. His works explore the relationship between artistic expression, celebrity culture, and adverting that flourished by the 1960s, and span a variety of media, including painting, silk screening, photography, film, and sculpture.</p> <p>Cooking: Healthy snacks and bite-sized food will be explored this month. Cooking projects include: No Bake Pumpkin Bites, Fall Trail Mix, Mac & Cheese Bites and Turkey & mashed potato bites. Children will help measure, mix and create each project. Lastly, they will try new foods and creations and give feedback about how it tastes and different ingredients they can identify.</p> <p>Computer: Starfall.com curriculum will be followed and children will be self-paced and tracked through language, math and reading.</p> <p>Spanish: Children will continue to practice previous months vocabulary, songs and be introduced to the Months of the year, body parts, harvest and food vocabulary. Books, songs, games and movement will be used to facilitate learning.</p>
