

Important Dates:

Halloween Fun:

Our Trick or Treat costume parade will be held on October 31st, Monday 9:30-10:30.

Note from the Director:

The children are keeping busy the start of the new school year. The teachers and the students had so much to do!

Our walker room children focused on the coming of the season fall. They enjoyed creating artwork using texture mats and made fall trees with little handprints. Ms. Cassie and Ms. Yuni's class decorated their entire room with fall activities. The children have done a wonderful job creating different fall artwork. Ms. Galina, Ms. Samantha, Ms. Priscilla, and Ms. Durraia's class projects for the month were parts of an apple, apple wreaths, and the children's favorite, apple tasting. Ms. Rebecca, Ms. Irma, and Ms. Chelsea, in the infant class, made apple trees using their finger prints.

Thank you all who attended our Open House. If you were unable to make it please speak with your child's teacher to see what you missed.

Sign in and out:

Please remember to sign your child in and out each day with a full signature. Licensing requires your complete signature not just your initials.

Food containers:

If you are bringing in a school lunch for your child, please either bring ice packs or food items that do not require refrigeration. Unfortunately, we do not have enough refrigerator space. Also, if you would like to bring a sippy cup for your child to drink from that would be great. Make sure all items you bring are labeled with your child's first and last name.

Change of clothing:

Parents please make sure your child has at least two changes of clothes in their cubbies. A jacket or sweater will be needed now that the weather is cooling down.

Enrichment Programs and Schedules:

Children love all of the extra activities that are offered during the week! Enrichment programs include Computer classes Monday through Friday and Mini Kickers soccer on Tuesdays. We also have Amazing Athletes on Fridays and Karate Monday through Thursday. Parents, if you are interested in your child participating in any of these programs flyers are placed in the front office.

We have had a great start to the new year!
