Seasons and Holidays					
	Theme	Geography	Circle & Share Day	Montessori	<p align="center"><u>Enrichment Overview</u></p> <p><u>Music:</u> Peter Ilyich Tchaikovsky, was a Russian composer of the romantic period, some of whose works are among the most popular music in the classical repertoire. He was the first Russian composer whose music made a lasting impression internationally, bolstered by his appearances as a guest conductor in Europe and the United States. He composed the Nutcracker Suite which is still treasured by children today.</p> <p><u>Art:</u> Edgar Degas was a French artist famous for his paintings, sculptures, prints, and drawings. He is especially identified with the subject of dance; more than half of his works depict dancers. He is regarded as one of the founders of Impressionism, although he rejected the term, preferring to be called a realist.</p> <p><u>Cooking:</u> Children will explore different traditional dishes and snacks from around Europe. They will spend time making French Crepes, English shortbread, Irish Soda Bread and Greek Salad. If time allows, a little holiday treat for home as well!</p> <p><u>Computer:</u> Starfall.com curriculum will be followed, and children will be self-paced and tracked through language, math and reading. Music tone and pitch matching will be introduced this month.</p> <p><u>Spanish:</u> Children will continue to practice previous month's vocabulary, songs and be introduced to holiday vocabulary, as well as the names of seasons, colors and numbers 1- 10. Books, songs, games and movement will be used to facilitate learning.</p>
