

Dinosaurs & Spring					
	Theme	Geography	Circle & Share Day	Montessori	<u>Enrichment Overview</u>
Week 1 3/5-3/9	Dinosaurs & Spring * Big and Small Dinosaurs *Hello, Spring!	Africa * Location on the Land & Water Globe *Location on the Continent Globe *Map/Puzzle Map	Calendar Routine Discussion: What are dinosaurs? Share Day (Friday): Bring something you treasure	Zoology: Butterfly Botany: Leaf Science: Hot vs Cold Art: Butterfly Grace/Courtesy: Getting/Waiting in line	<p>Music: Children will explore the different sounds of Africa this month. They will also continue to work on rhythm, keeping time and singing about dinosaurs, spring and our music and movement activities.</p> <p>Art: Art projects this month will explore different types of African art to help support our continent study. We will also celebrate art with projects associated with Dr. Seuss, Spring, St. Patrick's Day and our Egg Hunt at the end of the month.</p> <p>Cooking: During March, we will explore dishes that relate to Dr. Seuss, St. Patrick's Day, African culture and Spring. The children will continue to practice measuring, mixing and creating dishes that are diverse with a willingness to try new things.</p> <p>Computer: ABC Mouse will continue to guide children with a self-paced curriculum and track their progress through language, math and reading. Parents can check progress at home and engage with their child's online learning progress.</p> <p>Spanish: Children will learn the vocabulary for different types of dinosaurs and comparing and matching them to the English names. Spring time is coming and introducing the season in Spanish.</p> <p>**March 2nd Dr. Seuss Birthday!</p>
