April 2018 Newsletter

Dear Parents,

March was a great month! The children learned about the continent of Africa and it's amplitude of cultures and countries. Not only that, but the different amounts of animals and people who call Africa their home. We had our annual Spring Egg Hunt, what a wonderful turn out, lot's of parents were able to come by and enjoyed the hunt.

We also had the children take their pictures for Laugh out Loud photography, they were all so adorable!! With most of our parents purchasing or choosing their free Mother's Day gift we were able to raise funds for Teacher Appreciation Week in May.

Just a reminder:

A re-registration form is required for all children **currently attending**. If you are withdrawing from our school you are still required to give us 30 days notice in order for your deposit to be applied back on your last month's tuition.

All re-registration forms should be in by now. Please check with the office if you are unsure.
