| | Theme | Geography | Circle & Share Day | Montessori | Enrichment Overview |
| Week 1 6/4-6/8 | Transportation *Trains * Freight and Luxury | California *State Of CA *State Capital | Calendar Routine Discussion: CA Share Day (Friday): Transportation | Zoology: Road runner Botany: Cactus Science: Tornados Art: Cactus Hands Grace/Courtesy: Setting the table | <p>Music: Fun Californian music, artists and movement will be introduced to children, including some oldie but goodies like the Beach Boys and other musicians that drew on the beach, warm weather and friendly people to make some exciting music over the decades.</p> <p>Art: We will explore the fine arts of California and all the different types of art and artists that the inhabit the state of California. Children will be exposed to different mediums of art and explore what being an artist means. They will paint the state flower, the poppy and create the state flag for Flag Day on June 14th.</p> <p>Cooking: Children will explore what types of food have made California unique, especially on the healthier side. We explore healthy eating and nutritious snacks with Californian flare!</p> <p>Computer: ABC Mouse will continue to guide children with a self-paced curriculum and track their progress through language, math and reading. Parents can check progress at home.</p> <p>Spanish: Children will learn about all things that make California special and unique in Spanish. They will also learn Spanish terms for modes of transportation. Children will continue practicing their movement and music activities to wrap up the school year and we might even see some of these in the End of Year Performances.</p> |
