Parent Newsletter

September 2018

Hello Families,

Welcome to a new school year! We are expecting a fun packed year with a lot of changes to our classrooms , both inside and out!

First off, we are happy that our summer went as smooth as it did. We had lots of fun by beating the heat with our water and bubble days. We also had

amazing in-class field trips that enhanced our summer curriculum, and provided the children with hands-on exploration experiences. They got to play with giant bubbles, and pet farm animals and learn about their habitats and what kind of food they eat.

To begin with, in the month of September the children will be learning about artist Paul Jackson Pollack, the parts of the body, the fall season, the seven continents, and knowledge of various animals. We will also be practicing our manners and courtesy.

Please review your Welcome Packets before our Back to school event. We've included a sample of what expect this upcoming school year, as well as the enrichment program group list.

Thank you!

Other Important Dates:

Sept 3rd - Closed for Labor Day

Sept 4th - First day of School

Student Birthdays

Infants & Walkers:

Levi - 9/6

Fin L. - 9/8

Jocelyn - 9/28
