

African Savanna

	Theme	Geography	Circle & Share Day	Montessori	<p align="center"><u>Enrichment Overview</u></p> <p><u>Music:</u> Children will explore the different sounds of Africa this month. They will also continue to work on rhythm, keeping time and singing about dinosaurs, spring and our music and movement activities.</p> <p><u>Art:</u> Art projects this month will explore different types of African art to help support our continent study. We will also celebrate art with projects associated with Dr. Seuss, Spring, and St. Patrick's Day.</p> <p><u>Cooking:</u> During March, we will explore dishes that relate to Dr. Seuss, St. Patrick's Day, African culture and Spring. The children will continue to practice measuring, mixing and creating dishes that are diverse with a willingness to try new things.</p> <p><u>Computer:</u> ABC Mouse will continue to guide children with a self-paced curriculum and track their progress through language, math and reading. Parents can receive an update on their child's progress. Please see the office.</p> <p><u>Spanish:</u> Children will learn the vocabulary for different types of dinosaurs and comparing and matching them to the English names. Spring time is coming and introducing the season in Spanish.</p> <p>**March 2nd Dr. Seuss Birthday!</p>
