

Stars Montessori Academy - April Newsletter

Dear Parents,

March was a great month! The children learned about the continent of Africa and its amplitude of cultures and countries. Not only that, but the different amounts of animals and people who call Africa their home. We are lucky to have Ms. Penelope share some of her awesome items from her home on display in the front office.

We also had the children take their pictures for Laugh out Loud photography, they were all so adorable!! We hoped everyone had a restful and fun spring break.

In April, we are excited to celebrate the Week of the Young Child, April 15th-19th. We will be focusing on a specific activity each day that focus on teaching the children through these activities. We'd like for the parents to spread the word about the importance of high-quality early learning, and the critical role early childhood educators, including the parents, role in a child's development and learning. Parents, we are excited to announce our annual Spring Egg hunt will take place on Friday April 19th, from 9:30 - 10:45 am. We will post classroom times when the day gets closer.

On April 24th, we will be having an Open House from 4pm to 6pm. The school will close at 3 pm, but children are welcomed to participate and show their parents their classroom. As always thank you for your support, and if you have any questions please let us know.

Sprit Week: April 22 - 26

Monday– Sports Day

Wear your favorite team or sports wear.

Friday-90's day

Wear 90's themed clothes

Week of the Young Child

The Week of the Young Child (WOYC), is an annual celebration hosted by the National Association for the education of Young Children, also know as NAEYC.

The purpose of this week is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs.
